

# THINKING OF YOU week

'Send a card, deliver a smile.'

18th - 24th June 2023

You're invited to our Thinking of You Week event!

Join us and people all around the world to create a wave of happiness by sending cards during this week.

Sending a handwritten card is far more personal and science has shown they have a far stronger emotional impact than social media.

Take the time to choose some cards and write personal messages for someone to treasure.

It could be just... to say hello, send love,  
make someone laugh or smile,  
be supportive in a time of trouble, wish someone better,  
kiss and make up, or, just to say...

Thinking of you!
